

Powerhouse Gym of Hamilton allows you to put your membership on hold for medical or non-medical reasons.

***Your account must be in good standing in order to freeze your membership***

To put your account on freeze for non medical reasons. Members may freeze their account for non-medical reasons in increments of one (1) month, for a total of three (3) months per 12 month term. First month there will be no charge but for an additional 2nd and 3rd month, the cost of ten dollars(\$5) will be charged for those additional months. The freeze months are in addition to the member's established payment obligation and a freeze month does not account for it being an "active" month.

If you are not able to use the club for medical reasons, we can put your account on medical freeze. We require a doctor's note and a 15 day notice to process a medical freeze. Once we receive a doctor's note we will waive any administrative fees and inactive dues moving forward from the day we receive written notification. Your medical freeze automatically runs for the period your doctor requested, however there is a maximum of 6 months for medical freezes(not including extreme cases).
